# MESSAGE FROM THE PRESIDENT

It is my pleasure to welcome players, officials and spectators to the 1997 Australian Women's Soccer Association National Youth Championships in Melbourne.

We have just enjoyed one of the most exciting years in our sport's short history. The Olympic Champions - the USA Women's National Team - visited our shores for the first time and won the Ram Cup, after three entertaining matches against our National team.

Consecutive record crowds of 3,852 and 4,168 for the last two matches surely surpassed the expectations of all involved in the sport.

The Ansett Australia Summer Series was launched in December and proved to be crucial preparation for our National team players, who have been thrust into a hectic international calendar. The National League also provides a clear development avenue for players, coaches, referees and administrators, that we hope will continue long after the celebrations in Sydney 2000 are over.

The ITC Programs provide elite training for emerging players and are linked to "feeder" programs to identify talented junior players. These programs work in tandem with our long standing National Championship structure as a pathway for young players to achieve their sporting ambitions.

The cornerstone of our development program is the tremendous support of the Australian Sports Commission who will contribute one million dollars to Women's soccer this year.

I am sure the faith of the Commission will be rewarded as Australia continues to produce world class players in the future. I am equally sure that some of those players are representing this week.

I wish all supporters of our game a tremendous week as we enjoy the showcase of our best young talent.

Dennis O'Brien

## MESSAGE FROM THE CEO

Participants in the 1997 AWSA National Youth Championships have before them an era of opportunity that could not have been imagined a decade ago.

As i write this message, our Senior National team is in the midst of a month long tour of Europe that will encompass seven full internationals against Sweden, Hungary, The Netherlands, Belgium, Estonia, Finland and Norway.

The "Matildas" will return to Australia in time for the National Championships before preparing for a three match series on home soil against Atlanta Silver Medallists China in November.

The second year of the Ansett Australia Summer Series will then lead into the first full time residential program for Women's soccer at the Australian Institute of Sport in Canberra.

The AIS Program will launch the build up to the World Cup Qualifiers in October next year and the USA 1999 World Cup and Sydney 2000 Olympics.

It is worth remembering that opportunities now available to players extend well beyond a place in the coveted senior team and include both the chance to compete at Youth International level and in the National League as part of the AWSA Intensive Training Centre Program.

When Australia was beaten 1-0 by the USA in an Under 21 International in May this year, it was apparent that any gap in the quality of emerging players had narrowed dramatically as a result of the rapid development of Women's soccer at all levels in Australia.

To the players, coaches and support staff in the 1997 Youth Championships I wish you every success during this week and in the tremendously exciting years ahead.

To the proud parents and supporters, I am sure the sport of Women's soccer will continue to provide opportunities at every level for enjoyment and friendship.

And lastly, to the committee of the Victorian Women's Soccer Association I wish you every success in organising the championship and in promoting and servicing the growth of women's soccer in Victoria.

# AWARDS INFORMATION

Players at this year's National Championships should be made aware of the awards being presented at the Presentation Dinner on Saturday night.  
A brief description of the awards follow:

## MOST VALUABLE PLAYER.

This award is voted by the players and team officials. As the title depicts, each player and team official will vote for their Most Valuable Player of the Championships. Each voter will select 3 players allocating their MVP with three points and their other selections two points and one point respectively. Voters can not vote for a player from their own state. The Most Valuable Player will receive a personal trophy as well as an attractive perpetual trophy to keep for the year.

## ALL STAR TEAM.

Eleven players will be selected for the All Star Team on the basis of their performance at this year's National Championships. The All Star Team will have no connection with the National Team Program, nor should it be confused with being a National Team. It is purely a team selected, with players allocated to positions, on the basis of their performance at the Championships. This team will be selected by a committee comprising of the National Coach and the State Coaches. Players will receive a polo-shirt and team photograph of their All Star Team.

## FAIR PLAY AWARD.

This award is based loosely on the FIFA Fair Play Award, featured in FIFA'S World Cup and Olympic tournaments. Four criteria are considered in the calculation of this award:

1. YELLOW AND RED CARDS
2. RESPECT TOWARDS YOUR OPPONENT
3. RESPECT TOWARDS THE REFEREE
4. BEHAVIOUR OF TEAM OFFICIALS

This award is monitored, judged and calculated by a committee consisting of members of the AWSA board and the organising committee.

The Fair Play Award replaced the former CAPS Award and a shield will be presented to the winning team.
